SAN DIEGO COMMUNITY NEWSPAPER GROUP

**FRIDAY, OCTOBER 15, 2021**

## **COMMUNITY CENTER TECH HUB**

The La Jolla Community Center will continue its momentum to build a new computer lab inside the Center with the recent support of both OneWest Bank and Pacific Western Bank in La Jolla. With the banks' contributions, the center will begin its purchasing of equipment for the newly designated space, as part of its SeniorConnect fundraising effort. La Jolla Community Center's SeniorConnect fundraising project launched this year and will continue through February of 2022. The SeniorConnect program will include building a new computer lab inside the center, new equipment, multi-level instruction and marketing.
